Assignment Responsibilities:

Nets: Move nets from goal crease to side boards prior to scrape and then replace the nets in the goal crease following the completion of the scrape by the Zamboni. There will be 5 scrapes per game date.

These scrapes occur following the Varsity Warm Up, between 1st and 2nd period of Varsity game, between 2nd and 3rd period of Varsity game, following Junior Varsity Warm Up, and between the 2nd and 3rd periods of the Junior Varsity game. PLEASE NOTE - if you are assigned nets for a date, you are assigned to them for BOTH games.

Tickets: There are two locations for ticket takers - The Upper Entrance inside the main doors of the lounge by the fireplace and the Lower Entrance by the entrance between the West and East sheets of the facility.

Those assigned to the first game need to try to arrive by 5:00PM. The second shift at the ticket locations begins immediately following the completion of the first game. Those assigned to the second shift need to relieve those individuals at the ticket stations at this time. The team Treasurer will provide the stations with the cash box and hand stamps for use during the evening.

Game Host: These duties are described in the Game Host document. The team Treasurer will have the game host vest for use. The first shift ends at the conclusion of the first game. The individual assigned to the second game needs to find the Game Host from the first game take the vest and assume the responsibilities until the conclusion of the second game.

Scoresheet: The Team Rep will have blank scoresheets and rosters for the games.

If you are unable to fulfill your assigned duties for the night, it is your responsibility to find someone to fill your slot, arrange a swap, etc. The team manager is not responsible for re-scheduling your date.
